

Congratulations to those successful ballot applicants.

Below are the ballot draw results for the Woodhill Fallow Hunting Blocks for the 2006 season. If your name appears on the list for one of the blocks you are the primary permit holder for that block and should have already received an advice notice in the mail. If you cannot hunt on the assigned date for any reason please contact

Dave Chisholm on 09 4207058.

This should be done as soon as possible before the hunting season commences on 10/06/06 so an alternative weekend can, if possible, be arranged. Once the season commences if you cannot hunt for whatever reason on your assigned day no alternative dates will be available and another name will be drawn from the ballot applicants.

Remember: One hunt per person per year. If you are nominated as a companion or as a primary permit holder on more than one day please advise Dave Chisholm so it can be arranged for someone else can have a hunt.
